Forecast for Sunday 05 May 2024

Weather: The morning will be cloudy with a few showers. Often cloudy in the afternoon but a little brightness may break through at times. A few slow moving heavy showers may break out in the afternoon with the chance of a thunderstorm. These showers will last into the evening.

Chance of cloud-free hill tops above 800m: 40%, best chance in the afternoon

Low cloud and visibility: Poor in widespread low cloud down to 300 to 700 metres in the morning. This will lift and occasionally break in the afternoon, cloud bases between 800 and 1000 metres still shrouding some of the higher summits in particular.
